

Fibreglass Rung Extension FEY 9.8

Technical Data Sheet

Product Code	FEY 9.8
Manufacturer's Name	Branach Manufacturing Pty Ltd
Phone Number	+61 3 9761 6633
Certified By (Name, Title)	
Last Updated	

PROPERTIES

<input checked="" type="checkbox"/> Standards	AS/NZS 1892.3
<input checked="" type="checkbox"/> Load Rating	150kg
<input checked="" type="checkbox"/> Electrical	Complies to AS/NZS 1892.3 Section 2.4
<input checked="" type="checkbox"/> Heat Resistance	130 Degrees Celsius
<input checked="" type="checkbox"/> Warranty	3 years from date of manufacturing
<input checked="" type="checkbox"/> Chemical Resistance	Tested to AS/NZS 1892.3
<input checked="" type="checkbox"/> Accelerated Weathering Test	Tested to AS 2331.3.1

MEASUREMENTS

<input checked="" type="checkbox"/> Weight	32.9KG
<input checked="" type="checkbox"/> Distance Between Rungs	0.305m
<input checked="" type="checkbox"/> Closed Height	5.80m
<input checked="" type="checkbox"/> Extended Height	9.80m
<input checked="" type="checkbox"/> Width	Fly: 0.370m / Base: 0.450m

LADDER COMPONENTS

A Stiles	Fibreglass: ISO-PE resin with e-glass fibres
B Rungs	Round: Fibreglass ISO-PE resin with e-glass fibres
C Feet	Swivel: 35% GF Nylon
D Platform Deck	HD Polyethylene
E End Caps	35% GF Nylon PV 35H
F Rope	Polypropylene 10mm
G Latch	Aluminium 6106 T5 and steel plated
H Ladder Guide Bracket	50mm Alum 6060, E coat & black powder coat
I Running Guide Bracket	XF 400 Steel zinc plated with gold passivate
J Tie Down Bar	Steel zinc plated, gold passivate
Rivets	Zinc plated low carbon steel
